

## Non-Member Registration Policy

In an effort to encourage membership investment in the Springfield Regional Chamber as well as show value to our current Chamber members the following policy for non-member event attendance is being put into place. We believe that the events we offer throughout the year are invaluable to the business community. We are asking for businesses to invest in our mission, and to support economic development and growth in the region.

- The Springfield Regional Chamber will allow Non-Member companies to attend a maximum of three events per fiscal year. A company may have multiple employees that attend a single event or one employee that attends an event. In either case that event attendance shall count as one of the three occurrences permitted by this policy.
- After a Non-Member company has attended their three events said company may not attend future events within the same fiscal year without obtaining Chamber Membership until next fiscal year.
- The fiscal year is identified from July 1<sup>st</sup> to June 30<sup>th</sup>
- All Non-Member registrations must be paid in advance at the time of registration.

These above policies apply to all Springfield Regional Chamber events unless otherwise noted in the corresponding event materials. Please read all individual event information thoroughly.
